Questions to consider

- Where are you in eLearning strategic planning?
- Does your plan relate to your mission?
- What challenges are you currently facing?
  - Lack of institutional buy-in?
  - Inadequate ICT resources?
  - Lack of training for faculty, staff, and students?
  - Other issues?
- Can you look to your peer MEPI schools?
- Can the MEPI schools share scarce resources more effectively?
- How can you develop materials that can be shared between MEPI intuitions?

"Everyone has a role to play in the sustainability of eLearning"
